DACA

Immigrant students and parents in Florida have the opportunity to access resources for support. Being informed of your immigration status is the first step in moving forward. As of July 1, 2014, all FL graduates, including undocumented students will be eligible to pay in-state tuition at local colleges and universities.

Deferred Action for Childhood Arrivals (DACA) You may request consideration for deferred action for childhood arrivals if you:

- Came to the U.S. before reaching your 16th birthday;
- Have continuously resided in the U.S. since 01/01/2010, to the present time;
- Had no lawful status on 06/2012;
- Were physically present in the U.S. on 06/15/2012, and at the time of making your request for consideration of deferred action with USCIS;
- Are currently in school, have graduated or obtained a certificate of completion from high school, have obtained a General Education Development (GED) certificate, or are an honorably discharged veteran of the U.S. armed forces or U.S. Coast Guard; and
- Have not been convicted of a felony, significant misdemeanor or 3 or more other misdemeanors, and do not otherwise pose a threat to national security or public safety.

Additional details about the expanded DACA guidelines can be found at www.uscis.gov/immigrationaction
